Memories.
Memories – so lovely and gentle,
take me
back to people, places and things
I once
loved, but can't anymore. It's no
one's
fault except for time – constantly
changing,
yearning for something new and differ-
ent each moment. Sometimes I wish I
could stop time, or reverse it. I
think that is so only because I am so
very blind
to the future.

–DyAnne Korda

If a man does not keep pace
with his
companions, perhaps it is because he
hears a different drummer.
Let him step to the music which he
hears, however measured or far away.

–Henry David Thoreau

Homecoming

The 1976 Homecoming was captured in a whirl of excitement. The events began Thursday with a snake dance led by the cheerleaders. At the annual Pep Fest, the classes presented their skits; the seniors and the sophomores tied for first, freshmen took third.

King Rick Gruen crowned his queen, Linda Budde. After the coronation, the King and Queen led the way out to the traditional bonfire.

The Homecoming Parade featured the court and class floats. The seniors took first with "We're Alaskan for a Victory"; FFA seconded with "We're Rootin' for Ewe, no Bull!"; freshmen placed third with, "We'll blast the Tigers."

Friday night was the climax of this year's events. The Mighty Panthers defeated Hillsboro, 14-0. The game was followed by a Victory Dance with music by "Bitter Sweet." Homecoming was over for another year.

Junior Prom

Frilly lace dresses and leisure suits transformed Royall High School students into ladies and gentlemen on May 15, 1976. The class of "77" presented their annual Junior Prom, "Spring".

"Dream Weaver" was selected as the theme song which was sung by Betsy Rabuck. Music was provided by "Misty Morning". Bright smiles and glittering eyes testified to the fact that this was a night to remember.

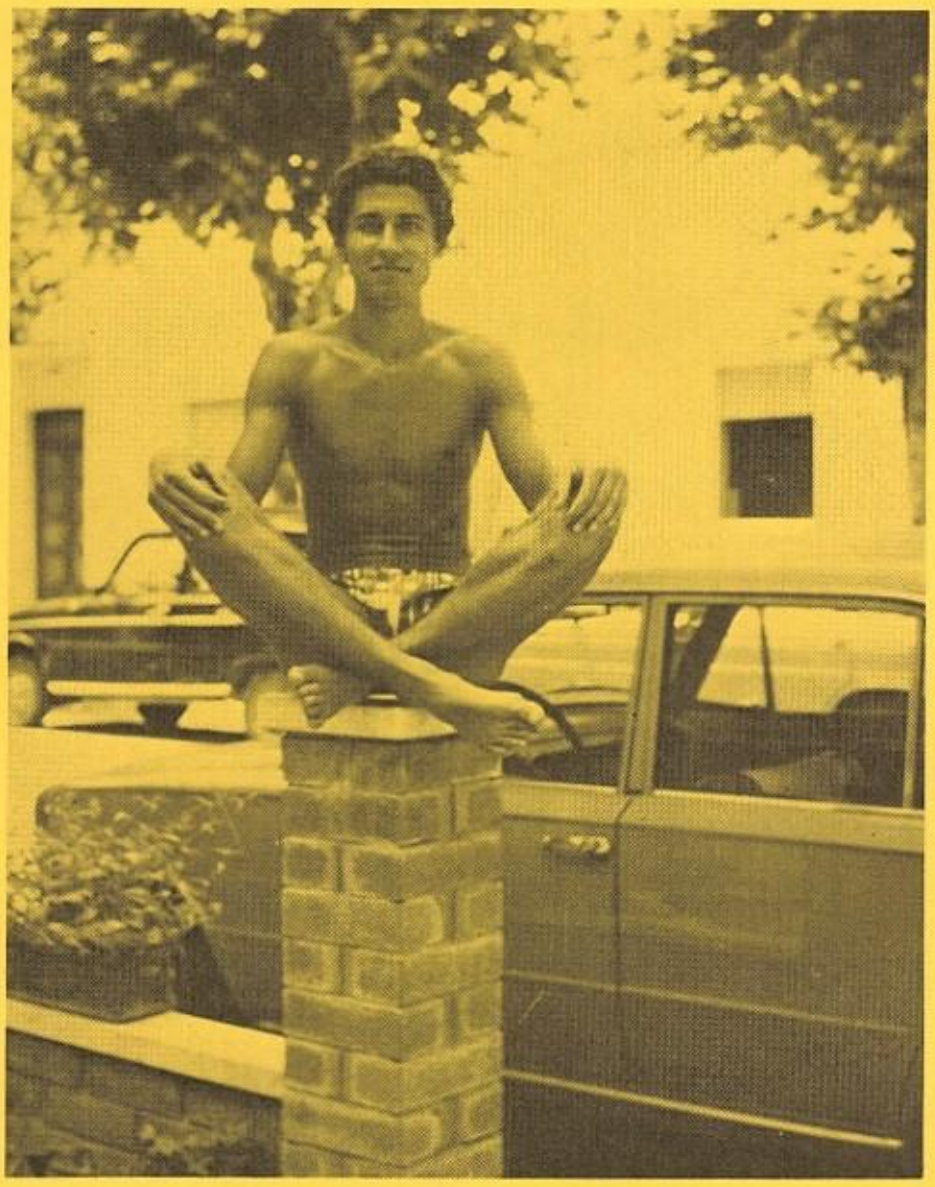
A.F.S.—1976-77



Our 1976-1977 Royall High School A.F.S. student, Piero Visani, relaxes in his native country of Switzerland.

Piero has been spending his year with his American "brother", Alan Kouba, and his family.

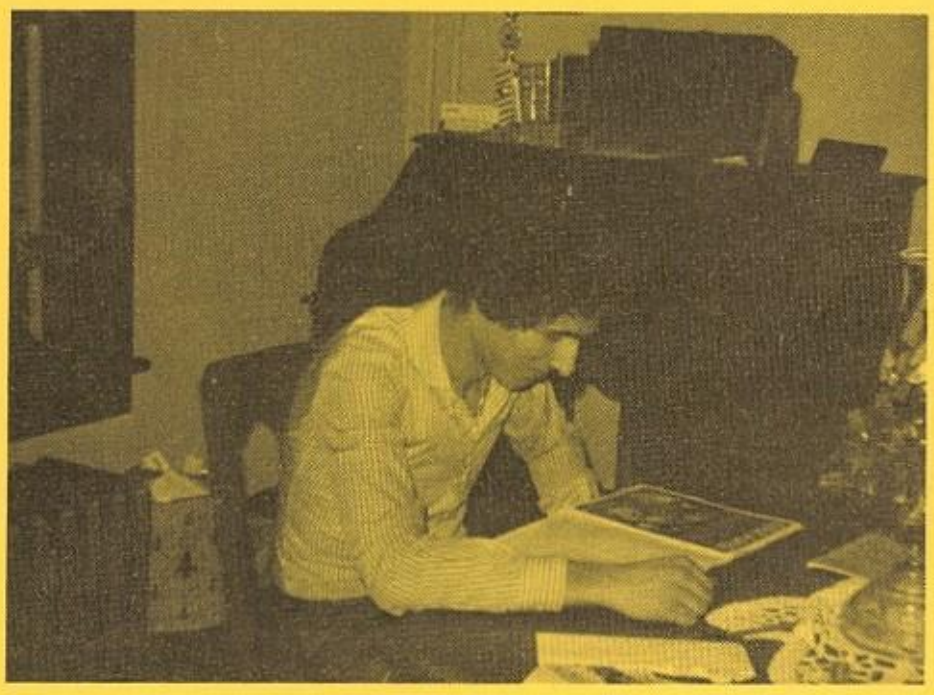
Dear Royall,

My name is Piero Visani, and I am the 1976-1977 Royall A.F.S. student. I come from Switzerland, where I have been living for 15 years. I am, however, a pure Italian boy and have spent my life in both countries.

I am spending and living one of the best years of my life in your country. It is a year that I will never forget. I have found really nice, good, and also, funny people in Royall High School. This is both among teachers and students. The only thing that I did not find among Royall students is a good grade of maturity required (I think) for kids of 14-18 years old. I hope that my relationship with everybody will be as good as it is now. I expect to make more and more friends.

During the year in the U.S.A., I have lived in another society with people of different customs and language from those of my country. I have come to understand a lot of things. I have realized how many stereotypes there are in our minds about people of other countries. I hope I have learned to overcome them. I hope that as I am becoming aware, living with you, that people in all the world are equal. This is the main thing that I hope you have known in me. Maybe by knowing each other in this way, we will learn how to like and love people of all the world.

Piero



Piero has been staying with the Clarence Beres' family of Elroy, Wisconsin.

Piero and his brothers, Davide and Fabio.
